The Certified Specialist in Islamic Sustainability Management

The Certified Specialist in Islamic Sustainability Management

The Certified Specialist in Islamic Sustainability Management is a certificate introduced by CIBAFI to address the growing concern for sustainability. It is tailored for professionals at both senior and mid-level management positions within Islamic financial institutions, regulatory bodies, and other professionals. The certificate offers comprehensive training to integrate sustainability across various functions, including product development, investments, financing, risk management, and financial reporting. This certificate aims to fully equip certificate holders with the knowledge and expertise to navigate strategic sustainability initiatives.

The Certified Specialist in Islamic Sustainability Management:

The designation of Specialist in Islamic Sustainability

This certificate is issued to employees of Islamic banks and other financial institutions, and for regulatory bodies, and other professionals, granting them the status of a Certified Specialist in Islamic Sustainability Management.
